

NorthBridge

AUTOMATIONS

One connected ERP for your whole school, with **AI built in.**

School ERP, Business ERP and AI automation for schools, institutions
and growing businesses across India.

School ERP

Admissions, fees, attendance,
exams, HR, transport and parent
communication.

Business ERP

CRM, sales, purchase, inventory,
invoicing, HR and payroll.

Insight AI

WhatsApp assistant, document
reading, AI reports and risk alerts.

Eight connected modules. One school record.

Switch on what you need today and add more as you grow. Every module shares the same student, staff and fee data, so nothing is typed twice.

Fees chased by phone

Automatic WhatsApp reminders, payment links and instant receipts.

Five apps, no single record

One record shared by admissions, accounts, exams and parents.

Report cards take weeks

Board-ready formats and AI-drafted teacher comments.

Leadership flies blind

Live dashboards for collections, attendance and admissions.

01

Core SIS

Student and staff profiles, documents and certificates, classes, sections and houses, role-based access for every user.

02

Fees & Finance

Fee structures and concessions, online payments and receipts, auto reminders and late fees, expenses and Tally export.

03

Admissions CRM

Enquiry and lead tracking, online application forms, follow-up automation, seat and waitlist management.

04

Academics

Timetable and substitutions, homework and assignments, gradebooks and report cards, attendance by app, RFID or biometric.

05

HR & Payroll

Staff attendance and leave, payroll with PF, ESI and TDS, payslips and self-service, appraisals.

06

Connect

WhatsApp, SMS and email, parent and staff app, circulars and diary, events calendar and photo gallery.

07

Campus Ops

Transport routes and GPS, inventory and school store, library and hostel, visitor management.

08

Insight AI

AI assistant on WhatsApp, AI report-card comments, form and receipt reading, fee-default and attendance alerts.

Report-card formats for

CBSE

ICSE

IB

Cambridge

State boards

An assistant that knows your school.

It answers from your own ERP data and documents, and only shows each person what they're allowed to see.

01 Answers parents and staff 24x7

Fee dues, timetables, circulars, transport timings and policies on WhatsApp, web and app.

02 Role-aware by design

A parent sees only their own child. A teacher sees their classes. The principal sees the whole school.

03 Does the paperwork

Reads admission forms, bank receipts and supplier invoices into the ERP, and drafts report-card comments for teachers to approve.

04 Spots problems early

Flags likely fee defaults, falling attendance and slipping grades, with a weekly summary for leadership.

WHATSAPP · EXAMPLE

What's pending for Aarav's fees?

Term 2 fee of ₹18,500 for Aarav Sharma (Grade 6B) is due on 15 Oct. Here is your secure payment link. Would you like a reminder on the 13th?

Yes please. When is the PTM?

Reminder set. Grade 6 PTM is on Saturday, 18 Oct, 9:00 am to 12:30 pm. Your slot with Ms. Mehta is 10:20 am.

NORTHBRIDGE BUSINESS ERP

The same core, for SMEs and service businesses.

From the first enquiry to the final invoice. Start with CRM and billing, then add purchase, inventory and payroll when you're ready.

CRM

Quotations

Sales orders

GST invoicing

Purchase

Vendors

Inventory

Expenses

HR

Payroll

Tally integration

Analytics

AI document reading

WhatsApp automation

GETTING STARTED

Live in four steps, usually within six weeks.

Step 1

Discovery

We map how fees, admissions and exams work today and agree the go-live date.

Step 2

Setup & migration

We configure fee structures and report cards, and import your data from Excel or old software.

Step 3

Training

Hands-on sessions for office, accounts, teachers and leadership.

Step 4

Go-live & support

A named contact and monthly reviews through the first term.

PRICING

Simple, transparent pricing.

Schools pay per student per year. All plans include hosting, updates, backups and support.

School ERP	Essentials Small schools	Growth Most popular	AI Campus AI layer included
Per student / year	₹60	₹120	₹180
